

**The Bully Plan**  
**5906 Picnic Woods Road**  
**Jefferson, MD 21755**

**Contract Addendum**

The *Everyone Belongs* assembly program combines lecture, performance, visual reinforcers, and role-play. In order to prepare for the role-play portions of the show, we ask that your school provide 6 student volunteers to serve as subjects for our role-play scenarios. Volunteers should be available **30 minutes prior to show time for warm-up and prompting**. In the case that there is more than one performance, **the same group will be used for multiple shows**.

Here are some helpful guidelines for choosing student volunteers:

- chosen by school counselor, teacher, or principal
- not afraid of appearing before an audience
- older grades
- as diverse as possible

In addition, because a goal of The Bully Plan is to support each school's counseling program, we would love to have your school counselor take part in the show's finale (if this is not possible, a teacher will work) and to help lead the bullying pledge.

If you have any questions regarding the addendum or any other contract items, please do not hesitate to contact me at: paulhadfield@comcast.net or 301.371.8509.

**Thank You!**
